

## Disco 1980

Disc beat, Disco beat,  
Amplified rain,  
In the midst of frenzy,  
Knocks on my brain-  
"Let's all go insane!"  
Jagged, jagged, flashing light,  
A myriad fantasies  
In the night,  
Rhythmic fright.  
The blazing sound of privacy,  
The heat, the beat, the feet,  
The ecstasy.  
Kiss.  
Collapse.
