

## Year of the Disabled.....April 23<sup>rd</sup> 1981

The carpet underfoot is not soft  
When you can't feel it.  
The sun is not bright in their eyes  
Nor money precious  
To those who can't steal it.

We value the attainable  
Beyond which we don't care.  
And in this Age of Sin,  
The Saints lay  
Under the dust of  
Our despair.
