

DEADLINE..... By Sahaja

Deadline..... Don't mess aboutDon't be a fool and put on your shoe.

Deadline..... Don't burn the toast , turn off the Telly and don't act the goat.

Deadline.....Life waits for no man..... So ran ran ran.

Deadline.....

No time for undercurrents

No time for wasting ur time

No time for following your rhythm

No time for seeing yourself fall

Off the world

Out of time
